DEPARTMENT OF DEVELOPMENTAL SERVICES  
**COVID-19 RE-ENTRY PLAN**

Guidance and procedures for California's developmental services to safely operate and for consumers and families to make informed decisions about how and when to re-enter services during the COVID-19 pandemic.

**KEY PRIORITIES**

**Collaboration and Partnership**

**Redesigning and Adapting Services**

**Sound Decision-Making and Accountability**

## PLAN DEVELOPMENT

- Met with stakeholders to obtain input and information about COVID-19 impact, adaptations, best practices, lessons learned and considerations for re-entry
  - Subgroups of DS Task Force members with expertise in the following service areas Residential, Day Services, Transportation, Early Start, Eligibility and Intake
  - Consumer Advisory Committee (CAC)
- Collaborating with partners to address immediate needs for site-based day services and planning for their reinvention and transition to sustainable designs
  - Day Services providers
  - Association of Regional Center Agencies (ARCA)
  - California Disability Services Association (CDSA)
- Continuously researching emerging guidance from credible sources such as the Centers for Disease Control (CDC), California Department of Public Health, Cal/OSHA, California Department of Social Services
- Developed a framework for the plan and in the process of refining and soliciting input and recommendations

## **Before Limited Re-Entry**

- Providers must prepare the *DDS Protection Plan* and obtain Regional Center approval
- *Specifications For Each Phase* (for each service area) should be attached to the plan
- The plan is to be maintained on site and available to anyone upon request
- Employees, consumers, and families are to be informed of the plan and trained on relevant aspects

## Reinvention of Site-Based Day Services

- Providers will be supported to reinvent services
  - Opportunities for individualized wrap-around services in various settings
  - Enhancing the principles of independence and self-determination
  - Maximizing recent innovations for remote services
- Providers will develop a *Program Design Reinvention Addendum*, to be approved by the Regional Center
- Services and individuals will be assessed for safety
- Consumers will be supported to make choices about reinvented service options

## NEXT STEPS

- Finalize the *Specifications For Each Phase* section of the plan
  - Re-engaging DS Task Force members with expertise in those service areas
  - Input from self-advocate and family member focus group
- Finalize the re-entry plan and relevant materials
- Present final plan to System and Fiscal Reform Workgroup and/or DS Task Force to include:
  - Communications plan and training materials
- Distribution of re-entry plan and directives (targeting end of June)
- Train the Trainer
- Webinar series (July)
- Provide technical assistance to regional centers
- Develop and distribute Frequently Asked Questions (FAQs)
